3. [University Counseling Services](#)
4. [Student Success Center](#)

**Student reports a positive COVID-19 test or diagnosis to the Dean of Students Office** using the form at [uwm.edu/covid19selfreport](http://uwm.edu/covid19selfreport). The Dean of Students Office contacts the student to provide information about isolation, resources and an eventual return to campus. Students who can't isolate off campus are moved to on-campus isolation housing.

**Student contacts instructors to get academic flexibility.** The Dean of Students Office assists with this as needed.

### DEFINITIONS:

**Close contact** within 6 feet of an infected person for a cumulative total of 15 minutes or more over a 24-hour period starting from 2 days before illness onset until the time the patient is isolated.

**Isolate:** Stay home in a separate room from other household members and use a separate bathroom, if possible. Do not share personal household items, like cups, towels and utensils and avoid contact with other members of the household and pets. Learn more at [cdc.gov/coronavirus](https://www.cdc.gov/coronavirus).

**Quarantine:** Stay home for 14 days from the last contact, watch for COVID-19 symptoms and follow CDC guidance.
