Section C - Child Support Paid Certification

Looking at those individuals listed in Section B of this form, did any parent **PAY** child support because of divorce or separation or because of a legal requirement in **2018 for any children not listed in Section B**? Please indicate the correct answer below. If you check "Yes", you must also complete the information below for the **2018** calendar year (1/1/2018 through 12/31/2018).

Yes No

Name of Person Who Paid Child Support	Name of Person to Whom Child Support was Paid	Name of Child for Whom Child Support was Paid	Child Age	Amount Support Paid in 2018

You should NOT list an individual in the household size (section B) AND list an amount of child support paid for the same individual (section C). If more than half of a child's support is being provided (whether through child support payments or living arrangements), they should be included in the household size, and not listed in Section C. If you list the same child in both the family size and as paying child support for, we will keep them in the household size and remove the child support paid.

Note: If we have reason to believe that the information regarding child support paid is not accurate, we may require additional documentation, such as:

- A copy of the separation agreement or divorce decree that shows the amount of child support to be provided;
- A statement from the individual receiving the child support certifying the amount of child support received; or
- Copies of the child support payment checks or money order receipts.

Section D - Statement of Certification

NOTE: If child support was paid, the parent who paid the child support must sign below.
